**SHORTHORNS INSURE YOUR
PROFIT POTENTIAL**

GENERAL INFORMATION

LOCATION—This sale will be held in the heated, comfortable sales pavillion of the Galesburg Livestock Commission Company, Galesburg, Illinois. This sale barn is located on the Northeast corner of Galesburg; coming from the East on Interstate 74 take the Knoxville exit and go North 3 miles; coming from the North or South on Routes 34, 150, or 41, turn at Fremont street and go East about 4 miles.

The sale will start promptly at 12:00 noon (cst), Saturday, March 4, 1967. Galesburg is located on the main line of the C. B. and Q. railroad. It is also 41 miles from Moline, Ill., and 45 miles from Peoria, Ill., both of which have airports and are serviced by several airlines.

LUNCH—Will be available on the grounds.

ANYONE COMING BY PLANE OR TRAIN can be met if notice is given either to Bill Gavin, Monmouth, Ill., George Inness, Galesburg, Ill., or the sale Manager, Gene McDonald.

SALE HEADQUARTERS will be the Holiday Inn, Galesburg, Ill. Reservations should be made directly to them for rooms mentioning that you are part of the Shorthorn group. An informal meeting and dinner will be held on Friday night, March 3, at 7:00 p.m. at the Holiday Inn. Everyone is invited to attend.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

HEALTH—All cattle are sold subject to a 60 day retest for Tuberculosis. Health certificates will be furnished. All cattle have been blood tested for Bang's Disease within 30 days of the date of this sale with the exception of females in this sale officially calfhooed vaccinated and under-age. In these cases, vaccination certificates will be delivered to the buyer at the time of the sale.

A certificate of registry and a signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignor.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests. The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sale manager was retained by the West Central Illinois Shorthorn Assn. for the specific tasks of gathering the sale offering, handling the publicity, preparing the catalog and dispersing the receipts. Neither the sale manager, auctioneer, nor the clerk assumes any liability for fulfillment of guarantees, errors in health charts, handling of the cattle or condition of the premises.

MAIL BIDS—Those unable to attend the sale, but wishing to buy may contact any of the following reputable persons: C. D. Swaffar, Sec., American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.; The sale manager, Gene McDonald, 16 South Locust St., Aurora, Ill.; Lyle Eiten, The Drovers Journal, Ladd, Ill., or Tom Sherlock, Oxford, Iowa, the auctioneer.

LEVELDALE SUBSIDY — By a good breeding son of Leveldale Richard which was used in the McCreery herd with much success. Here is a short-legged bull with good bone that carries his thickness from end to end.

WEAN MORE THAT WEIGH MORE WITH SHORTHORNS

In these days of rising costs, cattlemen are looking to Shorthorns for crossing, because . . . they know a Shorthorn bull will add 50-60 pounds to the weaning weight of each calf. They know the resulting calf will be husky, fast-growing and freer from disease.

They know the replacement heifers will calve easier and give more milk.

They know the end result is more money in the bank. Join the swing to Shorthorns.

They know there will be a higher percentage calf crop with a Shorthorn bull in the pasture or on the range.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
